Donations for the Chili Cook-Off and Silent Auction were discussed. We continue to encourage people to donate items for the silent auction, and encourage people to sponsor booths at the chili cook-off.

The annual meeting was discussed.

Our budget was discussed.

We need to be champions of Youth and Family Ministry. We can lift up our positives, and be proud of them, as well as encourage others to share their passions about Youth and Family Ministry.

We discussed the intern program and the different intern positions. The current amount of interns is still in flux, due to budget issues. This limits our ability to act upon our plans for this summer.

We discussed the idea of more specifically defining intern roles with the goal of more clearly defining responsibility and empowering interns to do specific tasks.
