

**Ministry Team: Learning**  
**Meeting Date:** September 8, 2009

**Attendees:**

Jill Gretzinger  
Gloria Luebke  
Sharon Orsted  
Donna Haberland  
Anita Damon

**Excused:**

**Items that may require council action:**

None

**Items that may require budget/finance coordination:**

None

**Ministry Team Minutes:**

Seek volunteers for a Teacher Appreciation Task force for the 2009-10 school year.

Next Library meeting is Sept. 21 at 6:30 p.m. The National Library Association meeting is Oct. 3 in Green Bay. Vacation Bible School went well. Will try to publicize earlier next year so families can get it on the schedule. Include kid quotes about VBS.

Special Needs Task Force will meet Oct. 19 at 6:30 p.m. Consider if people may need extra assistance at fellowship events as well as the learning time. Are in the process of devising a communication tool to be used with families so FELC knows how to best accommodate a student.

On Rally Sunday, September 13, the preschool-Grade 6 students begin using the Spark curriculum. Parent information includes an emphasis on the home connection and suggests a \$10 donation per child.

New this fall is a faith steppingstone "Blessing of the Backpack" at Wednesday worship.

Plan to have volunteers staff the North Site Nursery for the 10:30 a.m. worship and current nursery attendants staff the Downtown Site Nursery for the 9:15 a.m. worship. During other services the nursery will be open, but not attended. Wednesday night nursery will be staffed on an as needed basis with prior sign-ups required.

Request that the prayers of the church include a monthly petition lifting up the teachers and students faith learning.

Next month LMT will continue reviewing 2009 goals and set 2010 goal.
