Minutes

Great start on reviewing 2009 accomplishments and year end planning plus 2010 goals were discussed.

Expectant/New Parent Ministry

Good participation in the weekday play groups at the parks, throughout the summer.

Beginning Fall/Winter play group sessions for winter beginning on 10/21 at the North Site.

Wedding Review Task Force

Working on suggestions for future weddings at FELC, completed first couple of topics and expect to have presentation for the council in early 2010.

Coffee Hour update

Downtown bakers instead of donut holes – so far participation is going great. Will continue requesting bakers through the school year and discontinue in summer.

North Site coffee hour donations cover the cost of the bagels from Festival this will remain as is.

Prayer Ministry Coordinator

No one lined up to do this, will continue to pray for this person.

Maybe tabled until direction from new lead pastor.

November meeting:

Stephens Ministry:

Pastor Mike to get Stephen Minister from outside FELC to present info about Stephen Ministry on a more personal level. Info will help CLMT establish if this is the right move for FELC at this time.

2009 accomplishments/2010 goals

Complete work.
